**3. What are the key terms and conditions of this product that I should know?**

Redemption On Maturity

The principal amount is repayable in full if it is held till maturity.

Early Withdrawal:

You may receive a sum less than your initial investment if you withdraw or redeem before maturity. The actual amount that you will be paid depends on the performance of the underlying reference less any penalty payable arising from the early withdrawal/termination.

Payment of Interest:

Payments of interest/coupon are dependent upon the performance of the underlying assets as stipulated in the investment agreement/termsheet.

**4. What are the fees and charges I have to pay?**

No management fees or sales charges will be imposed on investors. However, for any early withdrawal or termination, penalty charges, if any, shall be levied. Please refer to the termsheet.

**5. What are the risks involved?**

**Credit Risk** Investors should be aware that the Bank may not always be your derivative counterparty or the issuer of the embedded derivative under this investment. Accordingly, you should take into account all risks associated with such counterparty or third party issuer, including the counterparty's or issuer's financial standing.

Investors should be aware that the repayment of principal and interests (if any) is subject to the credit risk of such of counterparty or third party or United Overseas Bank (Malaysia) Bhd as the case may be.

**Market Risk** Your investment will be exposed to market forces or volatility. Due to unforeseen market movements, you may sustain substantial losses on the investment if market conditions move against your favour.

**Option Risk** The investment has an embedded option element. As such, the investment yield/return and/or the redemption, is dependent on the specification of the option as mentioned in the termsheet.

**You are advised to read the investment term sheets and other documents (Risk Disclosure Statement) for detailed descriptions of the risks. You are also advised to carefully consider all risk factors before making an investment decision.**

**6. What do I need to do if there are changes to my contact details?**

It is important that you inform the Bank of any change in your contact details to ensure that all correspondences reach you in a timely manner.

**7. Where can I get further information?**
